Save the City!

One day, while walking, you trip over a(n) TRASH CAN and land face-first into the ground. Suddenly, a(n) PANDA runs up and bites your LEG. You feel a surge of power rush through you. Now, whenever you SNEEZE, you can use INVISIBILITY powers! You want to be known as SUPERTRON.

But the city needs saving! The villain, ZIBLOBO has a diabolical plan to KICK every FLOWER in the city. With the help of your INVISBILITY powers, your trusty sidekick, GEORGE, and your PANDA companion, you launch a(n) TINY attack that sends ZIBLOBO flying into (a) MALL. You quickly use a BASKETBALL to disable the villain's device causing it to RUN. The day was saved!
